#### **5. – Suspensions, Interruptions and Delays in the Execution of the Services**

- 5.1 The Participant hereby acknowledges and accepts that MTS is bound to comply with all directives issued by the authorities and parties having jurisdiction over the organisation and operation of the MTS Market, the Clearing and Settlement Systems and Central Counterparty Services. This may involve the suspension or interruption of the service or its performance according to particular procedures, but will not affect the persisting Participant's obligation with respect to the payment of the Fee.
- 5.2 MTS Services shall also be suspended as a result of the causes provided under the contract between the Participant and its Settlement Agent as well as in the suspension events provided under the Regulations;
- 5.3 In the event of malfunctions, breakdowns or other causes of delay in the provision of or failure to provide the services, which MTS supplies to the Participant hereunder, MTS shall:

  - take steps to resume the Service as soon as possible; and
  - supply technical information regarding the manner in which the Services will be resumed as soon as is reasonably practicable.

#### **6. – Security of Access to the System**

- 6.1 The Participant undertakes to protect its encrypted keys and relevant conservation media, its identification codes ("PINs") and access codes ("passwords") of authorised persons and to notify MTS immediately of the existence of possible risk situations deriving from any default in the performance of the obligations listed in the paragraphs below. MTS has the right, but not the obligation, to cancel public and/or private keys or to take any other measure that it deems necessary for the purpose of ensuring an appropriate control of the access to the System, as well as the security, integrity and secrecy of the same. MTS shall not be liable, from any standpoint, for the cancellation of the keys or passwords caused by any unauthorised access to the System that is a consequence of a behaviour or omission of the Participant.

- 
- 6.2 The Participant undertakes to notify MTS in writing within the shortest time possible of the loss, if any, of private keys, their conservation means, the PINs, the suspected wrongful use, loss of secrecy and integrity defect of the same.
  - 6.3 The Participant undertakes to access the System exclusively through Authorised Persons and to notify MTS of their personal data. The Participant is responsible for any order, contract or other use of the System by its personnel or representatives, regardless of whether these were authorised or not by it to use the System. Equally, the Participant is responsible for the observance and compliance by its personnel and representatives with the applicable laws and Regulations, this Membership Documentation and any other document connected with the use of the System and the software that is necessary for using the Service and, therefore, it acknowledges that it is its responsibility to inform its personnel of the obligations deriving from the Membership Documentation. Consequently, the Participant acknowledges and agrees that the violation by its personnel and its representatives of any provision of the Membership Documentation shall represent a violation by the Participant itself.
  - 6.4 The Participant undertakes to implement such security measures as to prevent any unauthorised or wrongful use of the System. This comprises, at least, the adoption of any reasonable measure and the maintenance of any reasonable procedure for the purpose of ensuring that the System is accessible only by Authorised Persons and that the transactions carried out on the System are not altered, lost or destroyed.
  - 6.5 The Participant undertakes to interrupt immediately the use of the System on MTS's notice or if it suspects or is aware of a technical dysfunction or a violation of the System's security, or upon the occurrence of any of the events listed in paragraphs 6.1 and 6.2 above. The Participant undertakes to notify MTS in writing immediately of the existence of such circumstances.
  - 6.6 On request of MTS, the Participant shall promptly interrupt any individual access to the System in the event that MTS reasonably considers that such person is violating or, however, using the System in a wrongful manner. The Participant acknowledges and agrees that MTS shall have the right, at its discretion, to adopt any measures that are considered necessary for the purpose of preventing the access to the System by such person and the Participant.

#### **7. - CONFIDENTIALITY**

- 7.1 Each of the Parties, acknowledging the confidential nature of the information and documentation pertaining generally to the Services, shall guarantee the other Party, for the duration of this contractual relationship and for one year after the termination or withdrawal due to any reason whatsoever of this Membership Documentation, that the information and documentation acquired in relation to the performance of the Membership Documentation will be treated confidentially.
- 7.2 The obligation referred to in the previous paragraph shall not prevent the communication or disclosure by MTS in anonymous and aggregate form of such data and information or the communication, after explicit request, to public and judicial authorities.

#### **8. - COMMUNICATIONS**

- 8.1 MTS shall send to the Participant communications of a general nature and individual communications in the ways specified in the following paragraphs.
- 8.2 Communications of a general nature (e.g. Notices) shall be made by means of the website of the MTS, except in case of malfunctioning or unavailability of the website. In particular, in case of the obligation referred to in paragraph 4.1a) above, what communicated by means of such website shall be considered to be known by the Client from the time it is posted on the website and shall become effective on the later date specified in the communication.

- 8.3 Without prejudice to specific procedures laid down in the Schedules for particular communications, individual communications shall be made by MTS or the Participant in writing and sent by registered letter with return receipt, fax, courier service or any other means permitting documentation evidencing receipt, including email.
- 8.4 Communications of an operational nature regarding the ordinary functioning of the Service may also be sent between the Parties electronically unless specified otherwise in the Schedules.
- 8.5 Individual communications shall be sent by each of the Parties to the other Party to the addresses expressly specified by the Participant in the Application to Participate in MTS Markets and those of an operational nature regarding the ordinary functioning of the Service to the addresses specified in the Application to Participate in MTS Markets.
- 8.6 Communications referred to in paragraphs 8.3 and 8.4 above shall be understood to be known by the other Party from the time of their receipt and shall become effective at the time specified in the Terms and Conditions and the Schedules or, in the absence thereof, on the later date specified in the communication.

#### **9. – AMENDMENTS TO THE TERMS AND CONDITIONS AND RELEVANT SCHEDULES**

- 9.1 The Participant acknowledges and accepts that MTS may modify or supplement any provision of the Terms and Conditions, including the Schedules, without prejudice to the provisions of paragraph 13.3 below.
- 9.2 MTS shall inform the Participant of such amendments by sending the text via email at the address indicated in the Application to Participate in MTS Markets, or, by posting the text thereof on its website pursuant to paragraph 8.2 above, in both cases at least 10 (ten) Trading Days, as defined in the Rules, before the effective date of the amendments. In such communication MTS shall specify the time within which the Participant may exercise the right of withdrawal referred to in paragraph 13.3 below.
- 9.3 As a matter of urgency arising as a consequence of measures adopted by the competent authorities or for duly explained technical or operational reasons that shall be given, the time referred to in paragraph 9.2 above may be reduced by MTS to a minimum of 5 (five) calendar days.
- 9.4 Changes to the Price List, except for those in the Participant's favour, shall be communicated in the manner specified in paragraph 9.2 above with advance notice of not less than 30 (thirty) calendar days. MTS shall determine and communicate the effective date of changes to the Price List in the Client's favour.
- 9.5 Without prejudice to the provisions of paragraphs 9.2 and 9.4 above, MTS shall send an e-mail to the Participant, to the address provided in the Application to Participate in MTS Markets, as amended and communicated to MTS, containing the notification of the changes on the website. In case of changes to the Rules, MTS shall send the e-mail on the same day of the notification of the changes through the website. In the event of changes to the Terms and Conditions, the e-mail shall be sent at least 1 (one) day before the notification of the changes through the website.
- 9.6 In the cases referred to in the preceding paragraphs the Participant may exercise the right of withdrawal from the Membership Documentation within the time and in the manner and with the effects specified in Article 13, paragraphs 3, 4 and 5.
- 9.7 Additions to the Terms and Conditions or to the Schedules concerning the introduction and offer of new non-mandatory services shall not constitute amendments pursuant to and for the purposes of this article.

#### **10. - LIABILITY**

- 10.1 Except as expressly set forth in this Agreement, all warranties, representations and agreements with respect to the provision of the Services or otherwise, whether oral or in

writing and whether express or implied, either by operation of law, statutory or otherwise, are hereby expressly excluded to the maximum extent permitted by law.

- 10.2 Nothing in this agreement limits or excludes the liability of MTS:
- (a) For death or personal injury resulting from negligence; or
  - (b) for any damage or liability incurred by Participant as a result of fraud or fraudulent misrepresentation by MTS.
- MTS shall not in any circumstances be liable in contract, tort (including negligence and breach of statutory duty) or otherwise for loss, whether direct or indirect, of profits, business or anticipated savings, loss of or corruption of data, for business interruptions or for any indirect or consequential loss, howsoever caused or arising out of or in connection with this Agreement
- 10.3 Subject to clause 10.2, the liability of MTS to the Participant for loss or damage, whether in contract, tort (including negligence and breach of statutory duty) or otherwise arising out of or in connection with MTS' performance of or its total or partial failure to perform its obligations under this Agreement shall, in any period of 12 months commencing on the date of this Agreement, be limited in aggregate to the sum of fifty thousand pounds sterling (£50,000).
- 10.4 The Participant must send MTS a report within 10 (ten) calendar days, under penalty of foreclosure, from the day on which it became aware, or should have become aware using due diligence of the occurrence of a loss-producing event it deems should be indemnified by MTS. Failure to meet such time limit shall entail lapse of the Participant's rights in this regard. The report shall contain a precise indication of the time at which the loss-producing event occurred, the circumstances under which it occurred and an assessment of the loss produced. The related supporting documentation, including in relation to the size of the loss incurred and consequent claim, must be received by MTS within 20 (twenty) calendar days of the expiration of the deadline referred to above.
- 10.5 Without prejudice to any liability that MTS may have vis-à-vis the Participant, the Participant hereby indemnifies and holds MTS harmless, in the event of claims for damages deriving from actions by third parties, including other Participants, from any claim for compensation of damages made in relation to deeds or actions relating to the performance of the Membership Documentation and hereby authorises MTS as of now to file a third-party claim against it.
- 10.6 The Parties agree that no liability shall exist for non-performance of obligations deriving from the Membership Documentation if such non-performance is due to events beyond the control of the non-performing Party, including, but not limited to those caused by:
- a) wars, rebellions, terrorist attacks, earthquakes, floods, fires or other causes of force majeure;
  - b) national or local strikes (including at company level);
  - c) electrical outages or interruptions and/or malfunctioning of electronic data carrier services due to faults in data transmission lines provided by persons other than MTS or provided by third parties referred to in paragraph 3.4;
  - d) impediments or obstacles caused by legislative or administrative measures or judicial acts.
- 10.7 MTS is required to give effect to all the instructions issued by the authorities and/or by other persons they have authorised. This may lead to temporary suspensions and delays in the performance of the obligations of MTS or in their performance in special ways; the

Participant shall nonetheless be required to perform the obligations deriving from the Membership Documentation and pay the sums due to MTS.

#### **11. - INTELLECTUAL AND/OR INDUSTRIAL PROPERTY RIGHTS**

- 11.1 The Service and relevant Market Data, as well as all that is licensed or sub-licensed by MTS, shall be used by the Participant respecting all the intellectual and/or industrial property rights of MTS or third parties, as better specified in these Terms and Conditions.
- 11.2 The Participant agrees that (i) it may be identified by name as a "MTS Participant" in press releases regarding MTS, (ii) the Participant's name and logo may be used for the purposes of identifying the Participant as a MTS Participant on the MTS website ([www.mtsmarkets.com](http://www.mtsmarkets.com)) and in MTS marketing brochures and presentational materials subject to the Participant's approval of the use of its name and logo. MTS shall not change the manner in which it uses the Participant's name and/or logo without the prior written approval of the Participant, such approval not to be unreasonably withheld or delayed. Except in the circumstances contemplated above, MTS shall not, without the prior written consent of the Participant in each instance, (i) use in advertising, publicity or otherwise the name of the Participant nor any trade name, trademark, trade device, service mark, symbol or any abbreviation, contraction or simulation thereof owned by the Participant or any of its affiliates, or (ii) represent, directly or indirectly, that any product or any service provided by MTS in connection with MTS has been approved or endorsed by the Participant or any of its affiliates.

#### **12. – FEES**

- 12.1 For the supply of the Service the Participant shall pay MTS the fees set out in the Price List attached to these Terms and Conditions in the amounts, within the time and in the manner specified therein.
- 12.2 Without prejudice to Article 14 below, if the Participant fails to pay the fees due within the prescribed time, default interest shall be charged automatically on the outstanding amount without the need for a written notification; such default interest is to be calculated at the highest three-month Euribor recorded in the period the payment is overdue plus a spread equal to two percentage points.
- 12.3 Without prejudice to the right to file a separate action for money had and received, the Participant may not raise any objections, even in the event of interruptions or suspensions in the supply of the Service, aimed at avoiding or delaying payment of the fees due.
- 12.4 The Participant shall remain subject to the obligation to pay any penalties applied in accordance with the Rules or these Terms and Conditions. The payment of penalties shall not preclude the possibility for MTS to demand strict performance and/or claim compensation of damages for any additional loss actually suffered.

#### **13. - DURATION OF THE CONTRACT AND WITHDRAWAL**

- 13.1 This Membership Documentation shall be for an indefinite term.
- 13.2 The Participant shall have the right to withdraw from the Membership Documentation at any time by sending a notice, pursuant to paragraph 8.4, indicating the effective date of withdrawal; the notice must arrive at least 90 (ninety) calendar days before such date. Withdrawal shall not exonerate the Participant, even in part, from the requirement to perform all the obligations undertaken under the Membership Documentation or even indirectly deriving from the use of the Service.
- 13.3 By way of derogation from paragraph 13.2 above, in case of amendments referred to in Article 9, the Participant may exercise the right of withdrawal from the Membership Documentation in the manner specified in paragraph 13.2 by giving MTS the relevant notice within the time established by MTS in the communication containing the text of the

amendments referred to in paragraph 9.2 above. In case of amendments made pursuant to paragraph 9.3 above, the advance notice of withdrawal may be communicated up to 1 p.m. on the trading day for MTS preceding the effective date of the amendment.

- 13.4 In all the cases of withdrawal referred to in paragraph 13.3 – provided, however, that the withdrawal becomes effective before the application of the amendments it is based on – the contractual conditions previously in force shall apply to the Participant.
- 13.5 If the withdrawal notice is received after the expiration of the time limits specified in the preceding paragraphs, then the withdrawal shall not take effect unless MTS waives the time limit established in its favour. These Terms and Conditions may specify cases in which withdrawal is not effective at the time provided in the withdrawal notice.
- 13.6 Notwithstanding the provisions of the Rules, MTS may exercise the right of withdrawal, giving adequate advance notice, within the time limits and in the manner referred to in paragraph 8.2, only *erga omnes* and in cases of radical transformation of the Service, including as a consequence of measures adopted by the competent authorities or in case of termination of operation of the Service. In cases of withdrawal pursuant to this paragraph, MTS shall not be required to pay any penalty or indemnity or make any reimbursement.

#### **14. – EXPRESS TERMINATION CLAUSE**

The Membership Documentation shall be understood to be terminated without the need of any further action by MTS in the following events:

- a) in the event of failure to pay the fees within the prescribed time limits for more than 90 (ninety) calendar days;
- b) in the events of exclusion from the Service provided for in the Rules or these Terms and Conditions;
- c) in the case in which the performance of the Service ceases as a consequence of legislative or administrative measures.

#### **15. – GENERAL PROVISIONS**

- 15.1 The Membership Documentation, including the Terms and Conditions and the Schedules, shall constitute the totality of the terms and conditions governing the Service and shall cancel and replace any earlier agreement and any oral or written communication made prior to the execution of the Membership Documentation.
- 15.2 The Membership Documentation and/or the rights and obligations deriving therefrom may not be transferred by the Parties to third parties. The Participant shall hereby authorise MTS to transfer the Membership Documentation and/or the rights and obligations deriving therefrom in the event of the merger of MTS with another company or the transfer of the business segment comprising the Service. Should this be the case, MTS shall give the Participant adequate advance notice.
- 15.3 In the event of the merger or acquisition of the Participant with another company or the transfer of the business segment comprising the Service, the Participant undertakes to give MTS at least 30 (thirty) calendar days advance notice of the effective date of the merger or transfer for the purposes of the Membership Documentation. The Participant shall remain liable – and likewise the company merging through incorporation, the company resulting from the merger or the transferee – for any delay in giving such advance notice to MTS, including the case in which such delay leads to MTS having to suspend the Participant, the company merging through incorporation, the company resulting from the merger or the transferee, as the case may be, for the time needed for the performance of the tasks for which it is competent.
- 15.4 The omitted or late exercise of one or more of the rights pertaining to a Party under the Membership Documentation may not be understood to mean that the Party in question has waived the exercise of such rights.

**16. – SETTLEMENT OF DISPUTES**

16.1 Save as provided by the Rules, the Participant and MTS shall attempt to resolve any problems that arise between them consequent upon the Membership Documentation through formal notices and bilateral meetings to find possible solutions.

**17. – Governing Law and Jurisdiction**

The Participant and MTS accept the exclusive jurisdiction of the Courts of England and Wales for any matter or act that must be submitted to the courts of law and agree on the law of England and Wales as the law governing the Membership Documentation, including, but not limited to, any matter regarding the form, the interpretation and the requirements for the validity of the agreement, the obligations deriving there under (including those relating to the compensation of damages) and their performance.
